

# Who likes genealogies ?

This is the written account of Adam's family line. When God created mankind, he made them in the likeness of God. He created them male and female and blessed them. And he named them "Mankind" when they were created.

When Adam had lived 130 years, he had a son in his own likeness, **in his own image**; and he named him Seth. After Seth was born, Adam lived 800 years and had other sons and daughters. Altogether, Adam lived a total of 930 years, and then he died.

When Seth had lived 105 years, he became the father of Enosh. After he became the father of Enosh, Seth lived 807 years and had other sons and daughters. Altogether, Seth lived a total of 912 years, and then he died. When Enosh had lived 90 years, he became the father of Kenan. After he became the father of Kenan, Enosh lived 815 years and had other sons and daughters. Altogether, Enosh lived a total of 905 years, and then he died. When Kenan had lived 70 years, he became the father of Mahalalel. After he became the father of Mahalalel, Kenan lived 840 years and had other sons and daughters. Altogether, Kenan lived a total of 910 years, and then he died. When Mahalalel had lived 65 years, he became the father of Jared. After he became the father of Jared, Mahalalel lived 830 years and had other sons and daughters. Altogether, Mahalalel lived a total of 895 years, and then he died. When Jared had lived 162 years, he became the father of Enoch. After he became the father of Enoch, Jared lived 800 years and had other sons and daughters. Altogether, Jared lived a total of 962 years, and then he died.

When **A** had lived **X** years, he had **B**.  
After **B** was born, **A** lived **Y** years and  
had other sons and daughters.  
Altogether, **A** lived a total of **X+Y**  
years,  
and then he died.

# **Lessons from Enoch**

**Listen, I tell you a mystery: We will not all sleep, but we will all be changed-- in a flash, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, the dead will be raised imperishable, and we will be changed. For the perishable must clothe itself with the imperishable, and the mortal with immortality. When the perishable has been clothed with the imperishable, and the mortal with immortality, then the saying that is written will come true: "Death has been swallowed up in victory."**
