

"Do not let your hearts be troubled. You believe in God; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going." Thomas said to him, "Lord, we don't know where you are going, so how can we know the way?" Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me. If you really know me, you will know my Father as well. From now on, you do know him and have seen him." Philip said, "Lord, show us the Father and that will be enough for us." Jesus answered: "Don't you know me, Philip, even after I have been among you such a long time? Anyone who has seen me has seen the Father.

John 14:1-9

Thomas said to him, "Lord, we don't know where you are going, so how can we know the way?"

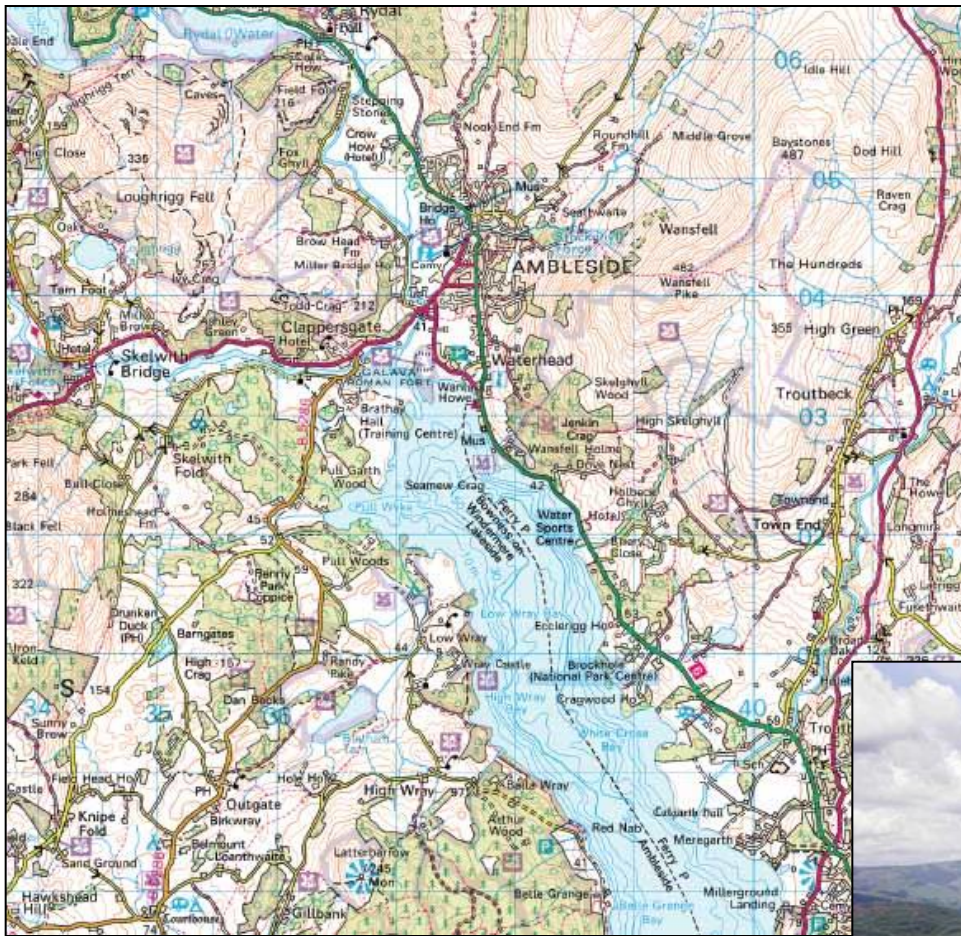

Afraid to ask questions in case we appear dumb?

A modern question: Is there a RIGHT way?

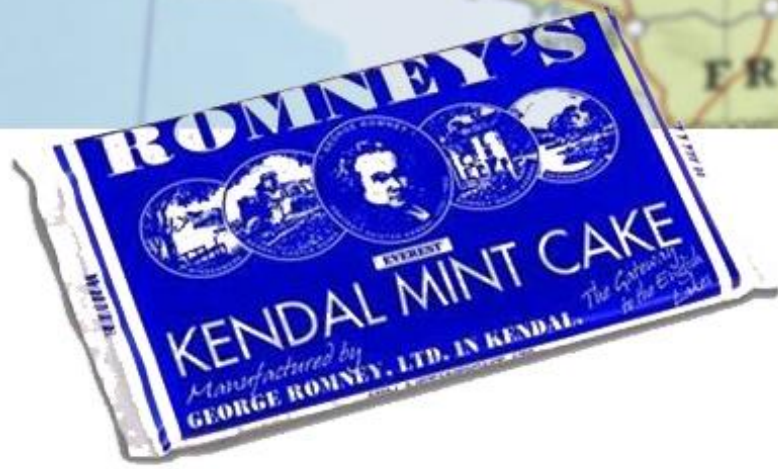

Jesus says, "I am the way!"

What do you need when you are going to a place you've never been before?

A 3D map showing a street grid with a blue path connecting two points. A red location pin is at the start of the path on the left, and a green location pin is at the end of the path on the right. The path is a thick, blue line that zig-zags across the map. The map is rendered in a 3D style with buildings and terrain having depth.

So how can we know he is the way?

1, Check his claims vs. results

2, Taste and see

3, Read the Instruction Manual

A 3D map showing a blue path starting from a red location pin on the left and ending at a green location pin on the right. The path is jagged, representing a non-direct route. The map background shows streets, parks, and a river.

It's NOT about the THEORY of travelling

The future

A silhouette of a person with arms outstretched stands in a field at sunset, framed by a cave entrance. The scene is bathed in warm, golden light from the setting sun. The person is positioned on the right side of the frame, facing left towards the sun. The cave entrance is formed by large, dark rock formations that frame the scene. The ground is covered in grass and small plants, and the sky is a gradient of yellow and orange.
