Choices - Decisions

Jonah
800 BC

The ruins of Nineveh - present day Mosul, Iraq

God said to Jonah,

“Go to Nineveh, and tell them I have seen how badly they are behaving and I am going to deal with them!”

Would you have liked being sent to THEM?

Which way shall I go?

Which way shall I go?

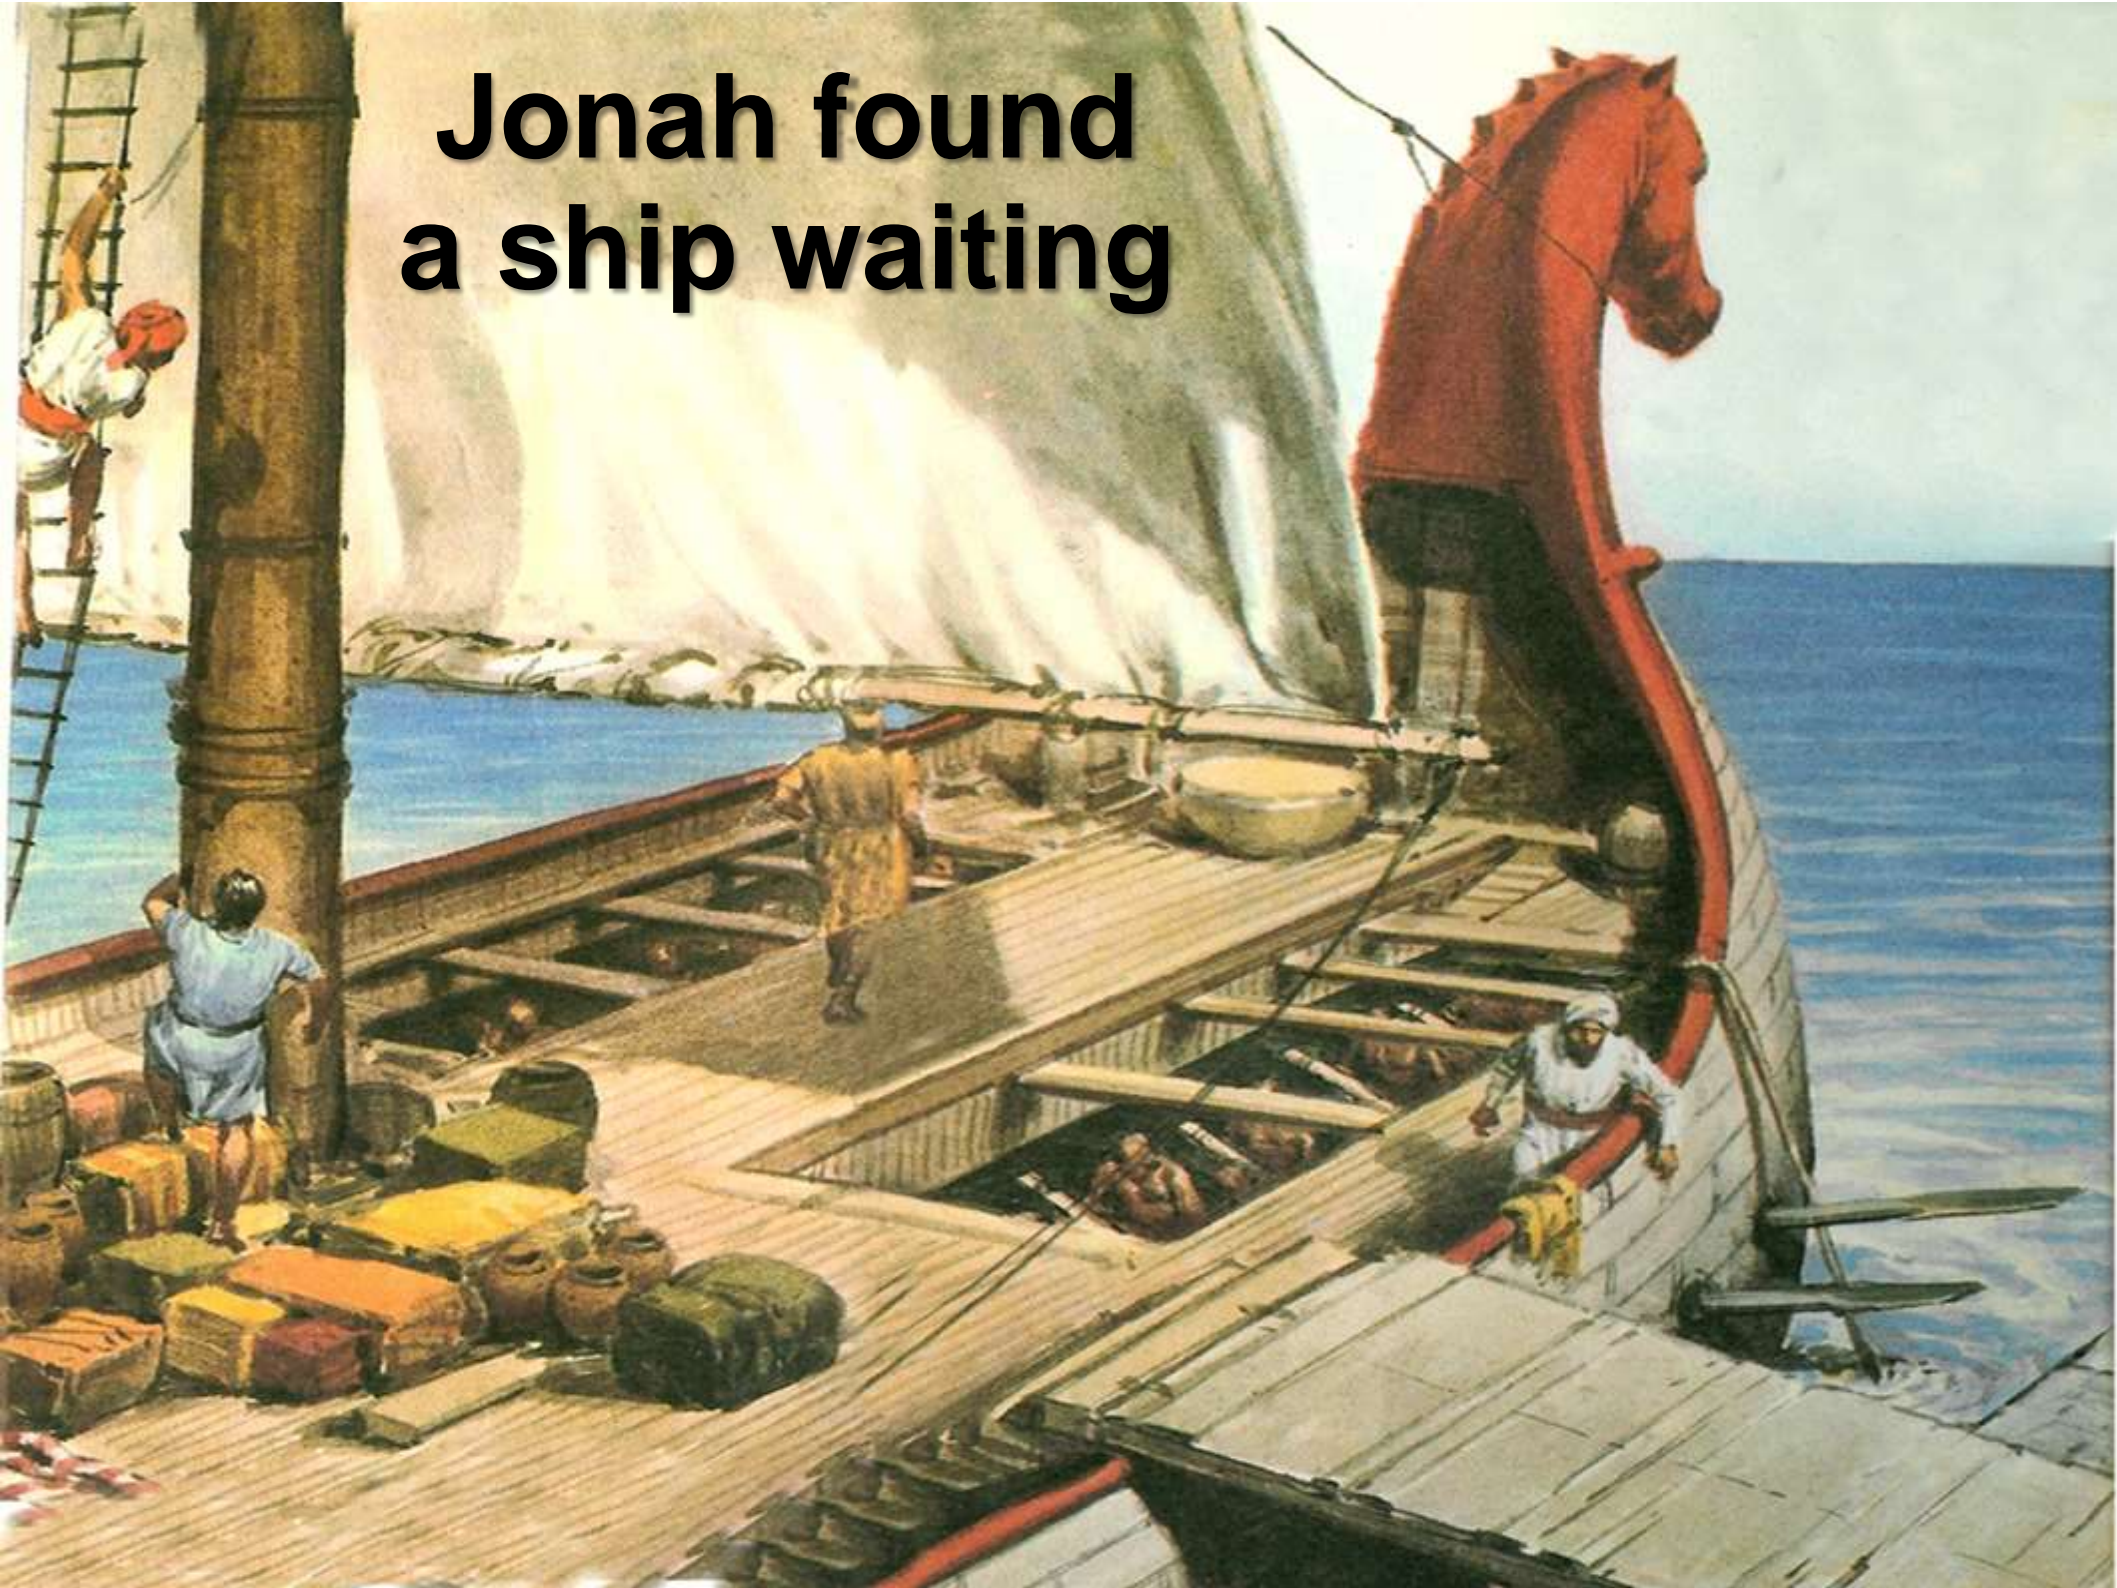

Which way did he go?

Jonah ran away from the Lord

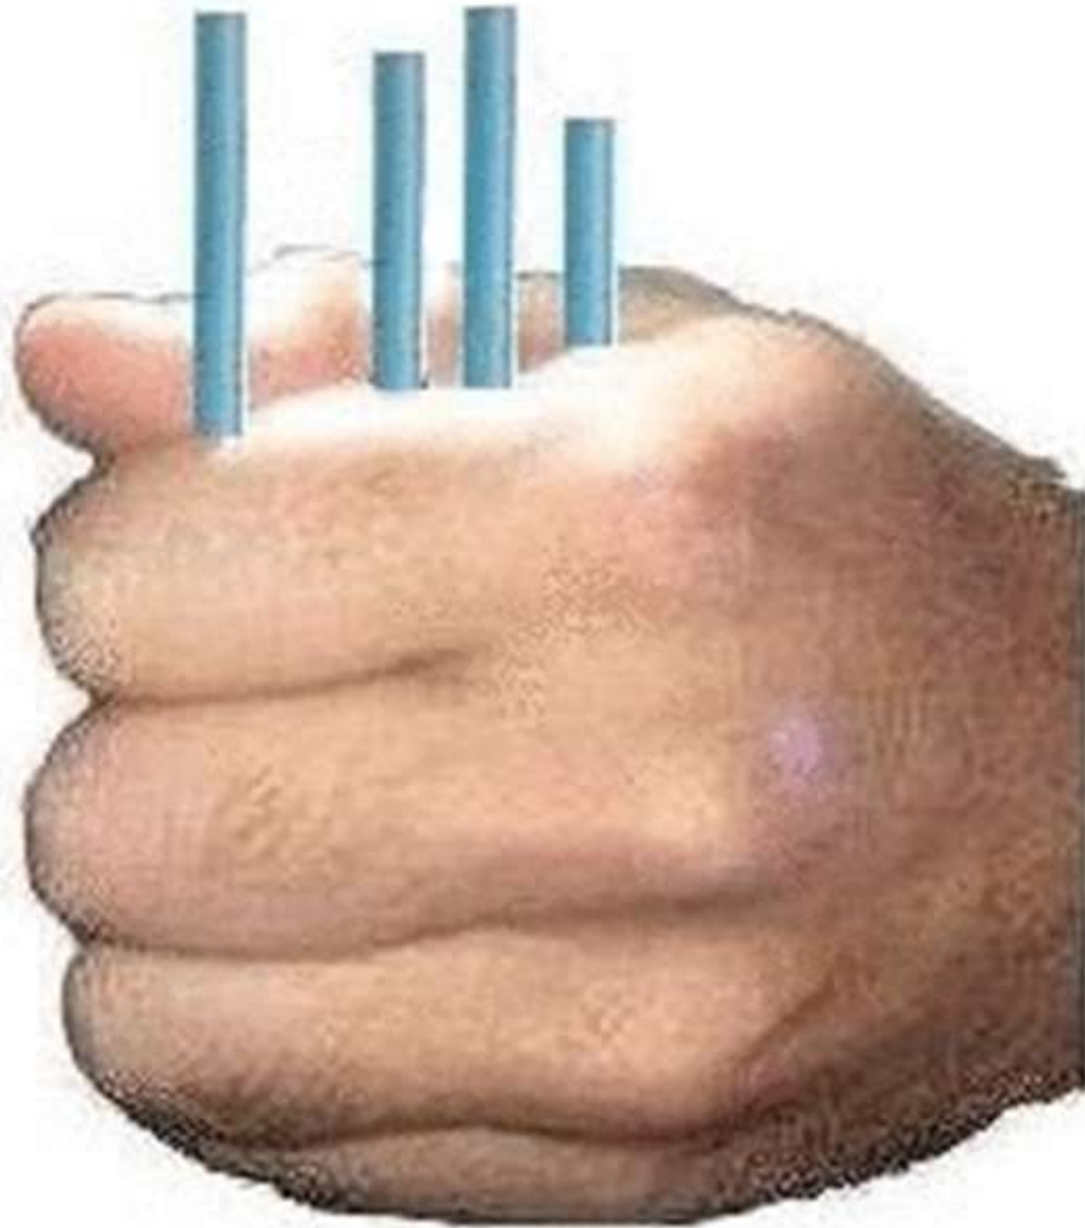

**Jonah found
a ship waiting**

The LORD sent ...

Whose fault is it?

The men did their best

The raging sea grew calm

The Lord provided

**The world needs to know
there's a judgement day
coming**

**And God is willing to forgive
those who repent.**
